

Funding Announcement: Now Accepting Expressions of Interest for Grants in Round 1

Deadline: September 14, 2025

ASEAN-UK Health Security Partnership Programme (2025-2029)

The ASEAN-UK Health Security Partnership Programme (HSP) is a major new programme supporting ASEAN Member States and Timor-Leste and their partners to strengthen health security, build resilient health systems, and address the impacts of climate change on health across the region. The initiative, funded by FCDO, will run from 2025 to 2029. Learn more about the fund at www.asean-uk-hsp.org.

HSP is now accepting Expressions of Interest (EOI) for Country Grants and Multi-Country Grants as part of Round 1 of funding from September 1, 2025 to September 14, 2025.

Thinking to submit?

Please review these resources:

Please note that all EOIs must be submitted online:

<https://hsp.metricsled.com>

Why apply for ASEAN-UK HSP funds?

- Access up to £1.5 million for multi-country projects, or up to £400,000 for country-specific initiatives.
- Peer Exchange Awards of up to £75,000 for short-term, cross-border knowledge sharing and collaboration.
- Access Technical Assistance to strengthen work in Cambodia, Laos, Myanmar, Timor-Leste, and Vietnam (subject to availability; determined on a case-by-case

basis)

HSP's Peer Exchange Awards

HSP's Peer Exchange Awards may be applied for via EOI expected to open September 8, 2025 and close on September 28, 2025. Please register your early interest to be notified about EOI submission at www.asean-uk-hsp.org.
