

EXPRESSION OF INTEREST  
World Vision International Lao PDR

[Hiring Individual Consultancy \(Home-Based with Field Engagement\) for Development of Proposal Frameworks for Disaster Risk Management \(DRM\): Early Warning System \(EWS\), Anticipatory Action \(AA\), and Emergency Response.](#)

World Vision is a Christian relief and development organization working to create lasting change in the lives of children, families and communities living in poverty. World Vision serves all people regardless of religion, race, ethnicity or gender. As a child-focused organization, WV's work focuses on children, ensuring they are protected, and their basic needs are met.

### Purpose and Objectives

The individual consultant will support WVIL in strengthening its positioning for resource mobilization. Develop three high-quality donor-ready concept notes, and proposal frameworks tailored to the specific requirements of targeted funding mechanisms.

1. Community-Led EWS & AA
2. ECHO HIP – Emergency Response
3. DHR-IDR US

The three Main Outputs are interlinked deliverables. Main Output 1 (EWS & AA) serves as the primary evidence and analytical foundation. Its log-frame (Sub-output 3.2.3) and budget framework (Sub-output 3.2.4) are directly adapted into the proposal frameworks of Main Output 2 (ECHO HIP) and Main Output 3 US Government Humanitarian Funding / IDR-US), ensuring a single coherent theory of change across all three documents.
