

Comité de Coopération avec le Laos (CCL)

is a French non-governmental organisation working in Lao PDR for 45 years in the following key development sectors : health, rural development and education.

CCL is seeking a highly motivated person for the position of

Technician on Agriculture (Lao National) for its Project on Integrated rural development in Beng, La and Xay districts, Oudomxay province

Qualifications and experience:

- Education: Master or Bachelor of Science in **agriculture** (with a specialisation in plant productions, and/or agroecology).
- **Working experience with international NGOs** and/or Lao NPA specialised in Rural and/or Agricultural development.
- **Experience and knowledge in participatory community development and agroecology.**
- An experience on **agroforestry**, orchard plantation/maintenance and agricultural value chains is an asset. An experience on macadamia technical itinerary and value chain is a plus.
- Ability to work in partnership with local authorities, international & Lao partners and ethnic minorities.
- Self-organization, autonomy and good communication skills.
- Ability to undertake travel to remote villages frequently and travel by motorbike.
- Knowledge of ethnic languages (Khmu, Akha, Hmong) would be an asset.
- Ability to understand and speak English and/or French is an asset.
- Good knowledge of common computer applications: Windows, Excel, Word.
- Women are encouraged to apply.

Main responsibilities:

- Work with local government staff and local communities, following participatory approach with respect for the environment, local cultures and gender equality, to support farming development.
- **Identify the needs in terms of farming support** at village and household levels.
- **Prepare and facilitate technical trainings** to farmers on crop production with a focus on agroforestry and mix-cropping. Organise the **material support to farmers** (distribution of small material, seeds and seedlings). **Technical monitoring of farmers. Organisation of technical exchanges** among farmers. **Support in the development of sustainable value chains.**
- Design and implement **on-farm pilot Nature-based solutions** to reduce water run-offs.
- Collect data, write quality activity reports, provide analysis & recommendations to improve the action.
- Coordinate with others project components and with local authorities.

Work location: Xay District, Oudomxay Province, with frequent travels to -and stays in- the 50 targeted villages in Beng, La and Xay Districts.

Duration: 15 Months.

Start date: September 2026.

Candidates should send per email a **letter of interest** and their **CV** by 31 July, 2026 to the CCL Director, Ms Manivone Vorachak, Manivone@ccl-laos.org, CCL Project Advisor Mr Dorian DEJACE dorian.dejace@ccl-laos.org, CCL project coordinator Mr Kongmany THAMMAVONGXAY kongmany.thammavongxay@ccl-laos.org

Shortlisted candidates will be invited for an interview during 1st fortnight of August 2026
